hygiene management
at the workplace**

Cedis Profi ANTISEPT

Antimicrobial gel to remove germs.
Effective against bacteria and fungi.
Good skin-compatibility - also for use without water and towel.

- 500 ml bottle with portioning pump (REF 86206)
- Wall mounted dispenser (REF 862062)
- 500 ml refill bottle for wall mounted dispenser (REF 862061)

Cedis Profi CARE

Skin-friendly lotion for the daily care of strained skin. With almond oil and vitamin A + E. Soaks immediately, non-greasy. Pleasant smell. The ideal completion of the antimicrobial gel Cedis Profi ANTISEPT.

- 500 ml bottle with portioning pump (REF 86207)

Cedis Profi SURFACE

Water-based, long-term active concentrate for the disinfection and cleaning of surfaces, devices, workbenches and other areas as well as sanitary areas. Effective against bacteria, fungi and special viruses. Lasting antimicrobial effect for up to 10 days!

- 625 ml dosing bottle with 120 ml concentrate (REF 86209)

Produces 3,75 l ready-to-use solution!

Cedis Profi UltraActiv

Concentrate for the disinfection and cleaning of earmolds, instruments and tools. Effective against bacteria, fungi, HBV- and HIV-viruses. For use in ultrasonic devices.

- 500 ml bottle with portioning pump (REF 86208)
- 2 liter bottle (REF 862081)
- Handy accessories:
 - 50 ml glasses for ultrasonic bath, 10 pieces (REF 85208)
 - 100 ml dosing beaker (REF 48500)
